### THE HORSE RIDERS' CODE OF CONDUCT

- I understand that riding at any standard has inherent risk and that all horses may react unpredictably on occasions.
  - I may fall off and could be injured. I accept that risk.
  - I understand that instructions are given for my safety and agree to follow instructions given to me by staff and instructors from the riding club.
  - I understand that I will wear an appropriate properly secured riding hat or helmet which conforms to the current standards PAS015, BSEN1384, EN1384 or ASTM/SEI whilst riding at club events. I understand it is my choice whether or not I wear a body protector.
  - I understand that the riding club will make decisions based on information I give them and agree to always be honest and volunteer information about:  
my abilities and riding experience  
any previous riding accidents  
any medical condition(s) which may affect my ability to ride
  - I understand that children are at particular risk around horses and agree that I will keep children that I am responsible for, under close supervision when they are at riding club events.  
I understand that the riding club may refuse my request to ride for safety or operational reasons.  
I understand that in the event of an accident/incident I must inform a member of the committee at once.
  - I understand that competing carries enhanced risk over and above general riding and agree that if I choose to participate in any competition or event, it is up to me to ensure that I have the experience and ability to ride the course including any jumps which form part of it. If I am in any doubt, I will use my judgment and experience and not enter.
- I do not object to data relating to me being held by Bradley Dale Riding Club. I agree that this data may be disclosed to the BHS.
