

Welcome

As a BHS Affiliated Riding Club, Bradley Dale Members are eligible to compete at the Area 20 Competitions, which are Direct Qualifiers for the various Championships ([www.brc-area20.org.uk](http://www.brc-area20.org.uk) for up to date information). Some Competitions i.e. The Festival of the Horse Showing Classes are Direct Entry Classes (no Qualifier required). In addition, the wonderful opportunity to compete at venues such as the Royal International Horse Show at Hickstead - BRC Teams of Three Show Jumping / Blenheim Palace International Horse Trials – Riding Clubs Eventer Challenge, and The Badminton Dressage Championships – BRC Inter-Team Dressage Competition, took place in 2010. These Competitions were Direct Entry to the various venues. A Team of three Bradley Dale Members competed at Hickstead – **what a fantastic experience**. Please see the Report from Becky Riley, one of the Team Members. Do check the Rider Magazine / BHS / BRC Website for ongoing information.

This year has been a wonderful and most successful year for Bradley Dale Members competing at the Area 20 Qualifiers, with many riders, Individual and Team, achieving their personal best, and “bringing home ribbons”. A Special Congratulations must go to Deena Webster and Finnigan, for qualifying for the Individual Open Horse Trials Championships at Aston Le Walls, and Vicki Mann riding Blue, whom qualified for the Dressage to Music Championships at Aintree International EC. **Many, many congratulations to all our Riders, and a very special thank you to all the Helpers and Supporters.**
